The food was food and the experience was super until the waitress came When she just served the food (without asking) that we have to pay half cash, half card... when we finished and asked for the bill she told as the same and we didn't have enough cash to pay the half on cash. Then, the manager came and told us that it was a misunderstanding: we only could use card to pay (so, just one transaction or transaction and... [read more](#). What

[User](#) doesn't like about Flavors Grill:

When they first started, their food quality was very high. Now that they have expanded, their customer service is incredibly bad. They don't seat you properly, they leave you standing for a while til someone comes and points a chair far away and tells you to go sit down regardless if you even want that location (note that the place was half empty). The waiters were smug and unhelpful when I needed anything. I ordered... [read more](#).
