Nice vibe, very helpful staff. They were able to give me a non-alcoholic Campari spritz'. Prawns on [pizza](#) could be better quality (or switch to locally caught calamari for a more sustainable and affordable ingredient). More plant based options would be good. Overall a nice experience with plenty of outdoor seating. Will be back to try other things on the menu [read more](#). The place also offers the possibility to sit outside and eat in pleasant weather, And into the accessible spaces also come guests with wheelchairs or physical disabilities. What [User](#)

doesn't like about Locale Pizzeria:

We are regulars. Always good food, service is consistent. Only comment this time round was the pumping night-club doof doof music. Not sure it matches the average clientele, had to ask to be moved elsewhere, unbearable and not supportive of conversation. [read more](#). At Locale Pizzeria in DEAKIN, [crispy pizza](#) is baked fresh using a traditional method, It's possible to chill out at the bar with a *freshly tapped beer* or other alcoholic and non-alcoholic drinks.
