The place from Melbourne offers 49 different **meals and drinks on the card** at an average A\$17. What [User](#) doesn't like about Daniel's Donuts Carnegie:
#2 late Dec 2019: 7 vegan flavours available (plus space for another) and a sign mentioning the vegan pie (but not the vegan pastie). The bottom shelf wire rack set up for vegan doughnuts is completely sucky though.
#nosale #1 mid Dec 2019: only 2 vegan doughnut flavours available at this location and they were on the bottom shelf. No labels for any other flavours. No sign of the vegan pie, or pastie either. Perhaps Springvale is the only truly vegan friendly outlet?. At Daniel's Donuts Carnegie in Melbourne, exquisite Australian menus are freshly cooked for you with a lot of devotion and the typical ingredients like **bush tomatoes and caviar limes**, They also present scrumptious South American cuisine to you on the menu. Besides, you can enjoy oven-warm baked goods, and you have the opportunity to try tasty American meals like *Burger or Barbecue*.
