The **menu of Ish Collingwood** from Melbourne includes 92 meals. On average, meals or drinks on the card cost about A\$28. The categories can be viewed on the menu below. What [User](#) likes about Ish Collingwood: on Wednesday, the restaurant was empty. we were at first concerned, but when the courts came, we were impressed. the bark curry was the best curry I ever had. the cured egg was a very interesting court and attempt definitiw. the king fish and lamb kebab were both amazing. the only part was the parking lot. we took 20 minutes to find parking. come back and recommend it to everyone. Such a shame that the food was such a let down. Everything was cold and the mains had 3 pieces of meat, if that, which is ridiculous for the price they charge. Their Instagram is nothing like the venue the waiters and venue itself was fine. Highlight was probably the keema pao as it was edible. [read more](#). If you want to spoil your palate with a bit of culinary flair, this is the place to be: The successful *Asian fusion cuisine* of the Ish Collingwood from Melbourne - a delicious mix of proven and the unexpected, On the menu there are also several **Asian meals**.

After the meal (or during it), you have the opportunity to still relax at the bar with a alcoholic or non-alcoholic drink, With traditional Indian spices, menus are fine and freshly prepared.
