What [User](#) doesn't like about Elichi Indian Black Rock:

I really wanted to like this place but the food was really poor. My friend ordered calamari and it wasn't cooked properly. Sent it back but they just refried the calamari on the plate and put it back on the table. I was shocked. My meal of barramundi and my partners meal of Caesar salad wasn't any better. On a positive note the waitress was very good however definitely won't be going back. Waste of \$197 for 4 meals. [read more](#).
