What [User](#) likes about Mango:

love the inner and the veg they use okra, chestnuts and also tempeh, tofu etc. very high quality food but it is more expensive the curry is 165thb and they taste the same and very bland not as they would suspect in Thailand very west, I asked for spicy and it did not come sharp at all (for children/baby kombucha is beautiful [read more](#). The fresh and delicious juices on the drinks menu perfectly complement the meals of the local, here they serve a *appetizing brunch* in the morning. Look forward to the enjoyment of **scrumptious vegetarian menus**, The atmosphere also makes the consumption of typical **Western dishes and drinks** an unforgettable experience.
