her set menu has about 10 different curries. all very good. family owned and cooked by mama made price of the menu is for 2 people and eating is more than enough. enjoys! read more. When the weather conditions is pleasant you can also be served outside. What User doesn't like about Lucky Fort:
overpriced, much sugar. we were excited to try all 9 currys, but we are disappointed by the quality. Sure, tastes good, but we had much better curry for a quarter of the price (1800lkr.) they offer the menu for two people, but it was not enough for us (no we are not overweight or something.) I personally would not recommend this place. read more.
