Truly is Vegan Heaven! Lovely little restaurant and setting serving all day breakfast, lunch and dinner. Have tried at least 10 different menu items and everything is so delicious. Beautifully prepared and presented. Will be back again...and again...until try everything. Then start all over again! Updated from previous review on 2022-02-27 [read more](#). What [User](#) doesn't like about Vegan Heaven:

beautiful location and friendly good English-speaking things. eating is good and spicy means spicy! be careful. unfortunately we waited long for our eating and got other dishes not in the same time. my friend finished his court before I got mine. also the starter came after the main court. That wasn't so nice. [read more](#). It's definitely always an experience to be in a typical saloon and to consume; to feel like a cowboy for once with a chilled drink and also the finger food like crispy fries, onion rings or a hearty burger, There are also some **international dishes** available on the menu. Of course, we must not forget the extensive diversity of coffee and tea specialties in this restaurant, The **tasty** desserts of the local also shine not only in the eyes of our little guests.
