For seasonal or weekly deals, please contact the owner of the restaurant directly. You can also contact them through their website. What [User](#) likes about Dosha: it is one of the best places I come to Koh Phangan and offers Indian food that is often expensive in Thailand. The seating area is padded and offers options of the floor and regular sitting. The meal is delivered with a free masala chai (with adjustable sweet). There is always a salate, a meal and a sauce. [read more](#). The place also offers the possibility to sit outside and eat and drink in pleasant weather. What [User](#) doesn't like about Dosha: we had the 100 flea mausplatte with different sweet dishes, a chapathi and rice. It was ok and the price was very good, but overall not so delicious and the chapathi was between hard and chewing [read more](#). Expect ingenious combinations of different products at Dosha - all according to the approach of an outstanding fusion cuisine. Moreover, the **enchanting desserts** of the house shine not only in the eyes of our little guests. In this restaurant there is also an extensive diversity of coffee and tea specialties not to forget, One also prepares menus finely and freshly with typical **Indian spices**.
