On this webpage, you can find the **complete menu** of Fonda from Wantirna South. Currently, there are **41** menus and drinks up for grabs. In the heart of Knox O-Zone, this **Mexican** restaurant has garnered a mix of reactions. Diners praise its vibrant atmosphere and authentic flavors, particularly favorite dishes like pork quesadillas and beef tacos, which stand out despite the higher prices. However, some guests feel the vegan options are limited, often overly reliant on sweet potatoes, and criticize portion sizes and service consistency. While cocktails receive compliments for strength, others describe the food as dry and overpriced. Overall, the restaurant excels in ambiance and quality but could benefit from improved vegan offerings and enhanced customer service training.
