was in bali a few times. the menu has a set of raw options and I have seen nothing non-vegan on the menu! the cake selection is also amazing. recommend the rub sandwich! [read more](#). The restaurant also offers the possibility to sit outside and be served in nice weather. What [User](#) doesn't like about Sayuri Healing Food: To be honest, there's so many other amazing restaurants with better taste and prices. Yes, Sayuri has a lot of different options but I was not overly impressed by them. Their vegan salmon is really good though [read more](#).
