almost all dishes of the buffet are vegan, just a meat option. eating is super delicious and quite spicy. the homemade advertiser was our highlight, so good! unfortunately much more expensive than other restaurants. would be nice if there were not only what they can eat, option and therefore cheaper prices. read more. When the weather is pleasant you can also have something outside. What User doesn't like about Coconut Sambol: eating is really great, but it was really expensive and if they aren't there for all they can eat, they can get curry cheaper somewhere else! bonus was that everything was vegan, except a chicken courier. read more. A visit to Coconut Sambol is particularly valuable due to the large variety of **coffee and tea specialties**, Furthermore, you can get sweet treats, cake, small snacks and chilled refreshments and hot beverages here. Visitors also value the application of traditional *Indian spices*, On the daily specials there are also several Asian dishes.
