This is a lovely small joint with even lovelier owners. Good range of Chinese [vegetarian](#) food, and can easily spend an hour talking with the owner about the work of the local Buddhist centre. [read more](#). In pleasant weather you can even have something in the outdoor area. What [Rets Kukainis](#) doesn't like about Vege Garden:

I visited this [vegetarian](#) restaurant as it is recommended by vegans that the owner takes vegan dishes and provides. However, I was disappointed to discover the place is not as vegan friendly as others say it is! the owner even recommended the mayo I don't think is vegan but. updated from previous review on 2018-03-17 [read more](#).

In Vege Garden from Kota Kinabalu, you can enjoy versatile, delicious Chinese cuisine that's authentically prepared in a wok, there are also delicious [vegetarian](#) menus in the menu. Not to be left out is the comprehensive variety of **coffee and tea specialties** in this locale, You can also discover nice **South American** meals in the menu.
