User likes about Grains:

all vegan Japanese cafe. that was delicious. only seats have several larger tables and some single window seats. only has traditional tatami sitting opportunities so that they either have to be crossed or sitting on the knees that was not the most convenient. [read more](#). What User doesn't like about Grains:

My friend and I visited this spot mainly because it had great reviews and the pictures of the food looked good. As we entered the staff greeted us very poorly. Which was a surprise because Japan is known for polite staff and good service. I assumed it was a bad day for the staff. We ordered a couple of dishes and were surprised that none of them were tasty. My friend found a hair in the rice, but decided not to tell t... [read more](#). At Grains in Nagoya, you get a **tasty brunch** for breakfast and you can at will feast, and a lot of fresh vegetables, fish and meat are used to prepare easily digestible Japanese meals. Not to be left out is the comprehensive selection of *coffee and tea specialties* in this locale.
