-I am here on 14 september 2019. we enjoyed our first dinner here in kyoto. my man had the food set that was very good, as well as the predators I had. quieter and more cozy place we would visit again. What [User](#) doesn't like about Itadakizen:

itadakizen kyoto is part of a large group that professionally manage different restaurant around the world and given the huge investment for the place, the training of the staff and marketing, they really can not go wrong! very standard and easy to eat, but I understand that for many tourist is the perfect place for vegan Japanese food in kyoto. [read more](#). The large diversity of coffee and tea specialties greatly enhances the value of a visit to Itadakizen, among the delicacies of this restaurant are especially the *Maki* and *Te-Maki*. A lot of freshly harvested vegetables, fish and meat is used in the easily digestible Japanese cuisine of Itadakizen.
