the atmosphere is very cozy. the burger was good, but our eating took one because and for the amount it is quite expensive. the menu does not have many options, so I do not recommend to come here if they are very hungry. read older reviews here it seems as if they cut their menu a bit. updated by previous review on 2021-11-21 [read more](#). Bruntons from Yokohama is in demand for its **mouth-watering burgers**, to which crispy fries, salads and other sides are provided, The atmosphere also makes the eating of typical *Western dishes and drinks* an unforgettable experience. It goes without saying that a suitable drink completes a meal; therefore this gastropub presents a diverse diversity of scrumptious and local alcoholic options, be it beer or wine, It's possible to chill out at the bar with a freshly tapped beer or other alcoholic and non-alcoholic drinks.
