I dressed with my brother after two years. the restaurant was so loud that we couldn't hear each other. the smash avo with 1 ei was a very small meal for \$25, but would recommend that we go next time somewhere else. : [read more](#). The restaurant also offers the possibility to sit outside and be served in beautiful weather, And into the accessible spaces also come visitors with wheelchairs or physiological limitations. What [User](#) doesn't like about Hobson:

the holy bean has a separate vegan menu for us, but when we compared the prices, the vegan dishes were much more expensive than the meat and milk dishes on the main menu. I had the harissa shaksuka, price at \$22

I expected a quite good part, as we could see that the omni meals are served really were quite large, but unfortunately it was very small. the dish was usually sauce and quite oily, so some rice or chalk woul...
