Here you will find the [menu](#) of **Whisk Cafe** in [Pukekohe](#). At the moment, there are **43** menus and drinks on the menu. Café Berne has garnered mixed reviews, reflecting a blend of atmosphere, service, and pricing concerns.

While many patrons appreciate the café's friendly staff, eclectic decor, and well-executed dishes, some have voiced dissatisfaction over recent price hikes that seem unjustifiable. Though the food, including pancakes and the big breakfast, generally receives praise, instances of slow service and overlooked orders have been noted. Despite these hiccups, the café remains a popular spot for its generous coffee servings and genuine, homemade offerings, particularly among loyal customers who appreciate its charm. However, the management's response to customer feedback may need reconsideration to maintain a loyal clientele.
