One of the best afghani restaurant in Sydney. I did catering for my daughters birthday from them, the food and the service was 5 star. All the guests loved the food. Good price and good portion size. Thumbs up ???? to Kabul international. [read more](#). The rooms on site are wheelchair accessible and can also be used with a wheelchair or physical disabilities. What [User](#) doesn't like about Kabul International Berala:

I don't know how this restaurant still works, bad customer care and terrible eating. in price, arrogant staff. there were only 3 pieces of chicken and 4 ktikka on a mixture kebab whisky costs 15 mice. the rice had been microwaved more than once, which was really dry. heard they sell back from previous customers. Just stay away. [read more](#). At Kabul International Berala, **tasty menus from international cuisine** are freshly cooked for you, there are also **delectable vegetarian meals** in the menu. If you're still pondering, let the smell of freshly baked flatbread or the scrumptious, sticky temptation of fresh baklava convince you - the *Middle East* is without a doubt closer than it appears, With traditional Indian spices, dishes are delicious and freshly prepared.
