Food is great and we totally enjoyed it. Just few of the food pairing purée pairing is totally off. Service is great as there's one order that's isn't right was quickly fixed. Ambiance is lovely for catch-up not great for date as it could be too noisy but it could also be great place for a drinks [read more](#). The restaurant also offers the possibility to sit outside and eat and drink in nice weather. What [Frederic Tromp](#) doesn't like about Monopole:

****Read on to find out about the fennel **** Great Champagne and wine selection thoroughly enjoyed our choices. Lamb ribs amazing but then it went all downhill... long delay between lamb, then salmon came (average, nothing stand out) but then had to wait 20 minutes for the vegetable dishes we had ordered. Thought the Cauliflower, burnt butter and sage sounded great but was underwhelming (butter was overpowering). Then we get to the fennel. It tasted like the smell of horse. The End. The Monopole from Potts Point serves meals that you can find all over Europe, The customers of the establishment also appreciate the comprehensive selection of various coffee and tea specialities that the restaurant has to offer. After the meal (or during it), you can also relax at the bar with a **alcoholic or non-alcoholic drink**, this *sports bar* is a favourite among the visitors, who enjoy not only the fantastic food and drinks, but also the opportunity to watch the latest games or races on the big TV.
