Here you can find the [menu](#) of **Asian Taste Lunch Express** in Adelaide. At the moment, there are **15** meals and drinks on the card. Asian Taste in Adelaide offers a variety of Vietnamese dishes at reasonable prices. The quick service and delicious food make it a favorite among locals and students. The banh mi sandwiches are loaded with ingredients, but some customers found the wet lettuce to be off-putting. However, the Vietnamese rolls with pickled carrots and daikon radish are highly recommended for a quick and satisfying meal on the go. The pho, both beef, and chicken, are flavorful and well-made. Overall, Asian Taste is a convenient and tasty option for Asian food in the area, even though the language barrier at the counter might cause some confusion.
