Not really an ice tea person but interesting choice of black sticky rice series. It's really really sweet, isn't ideal to drink too much. Buy two or more ,you get a free gift but unsure when the promotion ends. [read more](#). What

[Curtis DuBuque](#) doesn't like about Gong Tea:

I loveee their teas! This is my favorite place for teas. My current favorite is the lychee oolong with aloevera jelly. For new tea drinkers, I suggest you put in sugar and the next time you go back, you'll have an idea if you prefer your teas with less or more sugar [read more](#). The large diversity of coffee and tea specialties makes a visit to Gong Tea even more worthwhile, **delicious vegetarian meals** are also in the menu available. The Asian fusion cuisine is likewise an important part of Gong Tea. Anyone who finds the everyday and generally known menus too boring should approach with a willingness to experiment and try some unexpected combination of ingredients taste, A selection of varying [drinks](#) is also extensively a hit among the visitors.
