Decent shopping centre for your food and grocery needs. Do not recommend parking on ground floor because it's very crowded and people drive like they are driving bumper cars. Plenty of car park in basement with lots of access to the ground level. Look forward to their renovation and new car wash, hopefully it's like Eat Street style food stalls. [read more](#). At Sam's Kitchen from Logan City you have the opportunity to taste delicious vegetarian meals, in which no trace of animal meat or fish was processed, On the menu there are also several Asian dishes. Many customers also especially enjoy the versatile, delicious Chinese cuisine, Furthermore, the customers love the successful combination of different meals with new and partially experimental products - a nice example of successful **Asian Fusion**.
