We've been here multiple times and will be back any time we have an occasion since we live in Victoria. The food is always great, service is minimum but sufficient since all dishes come at the same time since we order a few dishes to share usually. A second drink is always being offered which is great. Staff is friendly and there is never an issue if you're staying back after closing time. [read more](#). The restaurant also offers the possibility to sit outside and eat and drink in nice weather. What [Fiona Kennedy](#) doesn't like about Peacock Palace:

Dirty tables and glasses, Took an hour before we received soup & 2 hours for main meal. Rice was served after main meals were hot. Food was less than ordinary (no taste) and not cheap. Have enjoyed good food here some time back. Obviously changed hands. WE WILL NEVER EAT HERE AGAIN & WILL TELL FAMILY AND FRIENDS TO AVOID DISAPPOINTMENT [read more](#). In the kitchen of Peacock Palace in WARNERS BAY, original *Asian spices scrumptious traditional meals* are prepared, Many customers are especially looking forward to the versatile, delicious Chinese cuisine. Surely, it's also a nice event to feel like in the **Wild West** once, to drink and consume like the cowboys or even the bandits with a drink or two paired with onion rings and a nice juicy burger, The creative fusion of different dishes with fresh and occasionally daring products is highly valued by the guests - a nice example of Asian Fusion.
