Our first time to this restaurant just 3 months after they opened. My wife and I chose the Indian menu after looking thru the [mexican](#) and Nepalese. From the moment we started our mixed entree , we knew we 'd found something special. Flavours were special. Our mains were similarly tasty and portions were of a size that we couldn 't actually finish everything. The Wine menu was limited but contained a good quality sele... [read more.](#)

What [Ardfo](#) doesn't like about Fusion Cafe:

This is the only Tibetan restaurant i know in brisbane and is very nice. Prices are reasonable and serves are generous. Staff is very friendly and has a very good location to dinner before having some drinks. [read more.](#) If

you want to a *cocktail after work* and sit with friends or alone, Fusion Cafe from Brisbane is a good bar, Furthermore, the guests love the successful combination of different meals with new and partially experimental products - a nice example of successful Asian Fusion. Of course, we must not forget the comprehensive variety of coffee and tea specialties in this restaurant, Many visitors are also especially looking forward to the **diverse, delectable [Mexican](#) cuisine.**
