This is one of the better Japanese fast food outlets in the CBD. Efficient, courteous staff, spotless modern cafe, well priced fresh sushi, hot dishes and Japanese salads to go. Today I chose the 'volcano scallop' dish. \$7.50.

We ate lunch in the Cloisters building outdoor deck area. Magic. [read more](#). What [Fernando Weissnat](#) doesn't like about Sushia Cloister's Plaza:

\$17.50 for a bento box where the tempura has been replaced by cold supermarket style spring rolls & piece of crumbed calamari (also cold & from a box). Sashimi was nice but not worth it for the price. If you're in a rush, you can get tasty Fast-Food dishes just the way you like it from Sushia Cloister's Plaza in Perth, freshly prepared for you in few minutes, and a lot of fresh vegetables, fish and meat are used to cook healthy Japanese dishes. Undoubtedly, the highlight of this place is the tasty Sushi such as Maki and Sashimi, The guests of the restaurant also appreciate the extensive selection of various coffee and tea specialities that the establishment has to offer.
