Cosy little cafe below King's Hotel. Great venue for catch up with friends or just to have a quiet "me alone" time for those who's feeling blue???? Mocha was perfectly made and tastes just right. I should try their Chai Latte & lunch dishes next time. [read more](#). In beautiful weather you can even eat and drink in the outdoor area, and

there is complimentary WiFi. What [Ova Towne](#) doesn't like about PERC:

3rd time round at PERC. First 2 times were excellent. Based on the most epic pulled pork bayou rolls.

DoubleKickChick and I both thoroughly enjoyed em. This visit they were not on the menu so I settled for a chicken wrap. It had flavor yes but was a tad salty for my liking. The iced coffee with cream and icecream was as delicious and indulgent as ever. Bring back the pulled pork and I'm there. At PERC in Perth, there's a *diverse brunch* for breakfast where you can indulge feast, Likewise, the guests of the restaurant prefer the large variety of various coffee and tea specialities that the establishment provides. Even if you're not so hungry, you can treat yourself to one of the tasty **sandwiches**, a small salad or another snack.
