The chip serve, for \$3.50, is tiny. Total rip off from that POV. [read more](#). As a guest, you can use the WLAN of the establishment free of charge, Depending on the weather conditions, you can also sit outside and have something. What [Zella Wehner](#) doesn't like about Eat Etc:

Came here the first time for lunch and ordered the combination fried char kway teow. It was more spicy than what I was used too. Overall the food was quite tasty and the made to order dish was brought out within minutes. Service was prompt and friendly. [read more](#).
