The standard pork roll is decent, only because it's a little light in the toppings but it's only \$4.50 so it's got that going for it and the bread is also excellent. The highlight here is the grilled pork roll. The pork is thinly sliced and marinated in lemongrass and garlic and when you combine it with the excellent bread and the crisp vegetables it's hard to fault, especially at \$5. [read more](#). The place also offers the possibility to sit outside and eat and drink in pleasant weather. What [Evie Christiansen](#) doesn't like about Banh Mi:

Love the food here. But opening hours can be unpredictable. Also I always have the stewed pork roll, some days it's available. Some days it's not. Never know what menu items will be available. When available, and open, I would rate service and food. Hasn't been open all week this week. No signage as to why, or when/if it will reopen soon. [read more](#). Freshly harvested mint, crunchy salad, sprouts and a few drops of lime combined with rice noodles and meat - all of this can be found not only during your vacation in Vietnam in the menu, but also when visiting the nearby Banh Mi in Burwood. The yummy *sandwiches*, healthy salads and other snacks can be planned well as a snack. Not to be left out is the large variety of coffee and tea specialties in this restaurant. There are also fresh breads and snacks, complemented by a variety of cold and hot beverages.
