Here you can find the [menu](#) of **Chrome Coffee Lounge** in Hobart. At the moment, there are **18** meals and drinks on the card. Chrome is a popular haunt known for its high standard, affordable food made with love. The brownie with espresso icing is a standout item. Patrons rave about the Egg Benedict, perfectly toasted sourdough bread, and friendly staff. The cafe's gourmet burger, while good, lacks the extra details that would make it outstanding. Chrome is compared to other providers with a solid rating. The cafe's vibrant atmosphere with Pokemon figurines and J pop music adds to the experience. Excellent coffee, tasty food, and affordable prices make it a favorite spot for locals and visitors alike. Service is always friendly and attentive, making every visit a pleasant experience. A great choice for a leisurely meal or a quick coffee stop, Chrome offers a chill vibe and delicious food and drinks. With generous servings and reasonable prices, patrons leave feeling full and content, praising the friendly owner and top-notch service. Located in a bustling area, Chrome offers good coffee, an array of pastries, and full lunches for those in the area. Overall, Chrome is a must-visit spot in Hobart for delicious food, great service, and a welcoming atmosphere.
