What The Fudge from CABRAMATTA is a good option for a bar if you want to have a drink after work and hang out with friends, In addition, the cocktail menu that is offered in this established eatery is impressive. It offers a wide variety of beers from the region and the whole world. Not to be overlooked is also the extensive selection of **coffee and tea specialties** in this locale, Moreover, the *delicious desserts* of the house shine not only on children's plates and in children's eyes.
