What [Cecil Sanford](#) likes about Cinema Cafe:

The new Greek menu is fantastic! We hadn't been here in a long time, and returned to find a completely new (improved) menu. This is one of the better Greek restaurants I've been to in Brisbane - I wouldn't hesitate to recommend it! [read more](#). The diner is accessible and can therefore also be used with a wheelchair or physical limitations, Depending on the weather, you can also sit outside and have something. What [Kay Ernser](#) doesn't

like about Cinema Cafe:

one of the worst meals I've ever had. salt and pepper Calamari was supposed to be scored tubes but ended up being rings, the same as you can buy in a pack from the supermarket. The scallops were listed as a grilled with cheese topping and ended up coming baked in a dish swimming in cheese that killed any flavour, the scallops could have been flake for all we knew I give the Cinema Cafe zero stars [read more](#). Cinema Cafe from Carindale is a comfortable café, where you can have a small snack or cake with a warm coffee or a hot chocolate, Likewise, the guests of the establishment prefer the large selection of differing coffee and tea specialities that the restaurant provides. After the meal (or during it), you can also relax at the bar with a **alcoholic or non-alcoholic drink**, Also, the [Greek specialties](#) are also very popular with the customers of the restaurant.
