The restaurant from Bondi Beach offers 625 different dishes and drinks on the menu at an average price of A\$42. What [User](#) likes about Big Poppa's:

Loved every bit of it! The lamb Raggu pappardelle and vongole is highly recommended!! Service was great, staff were so friendly and attentive. The music was my jam very 90s r&b and a bit of rap. The bar area downstairs had a great atmosphere to it too. Will be back soon!! [read more](#). When the weather is good you can also have something outside, And into the accessible spaces also come guests with wheelchairs or physiological disabilities. What [PAUL](#)E doesn't like about Big Poppa's:

Food was good, but the table was incredibly small for 4 people, and not big enough for the food and drinks. Had we known we would be sitting in the bar, we would not have come to the restaurant. The service was slow and erratic. [read more](#). At Big Poppa's, a restaurant with Italian dishes from Bondi Beach, you can enjoy *original Italian cuisine*, including classics like **pizza and pasta**. Additionally, they offer you **authentic Australian menus** with ingredients like bush tomatoes and finger limes.
