My wife and I were looking for a BYO restaurant in Hawthorne after going to the movies. There are 4 restaurants just near the Hawthorne Theatre but Tamarind Tree was the only one that was BYO so we gave it a try. The crispy pork belly in sticky honey and ginger sauce was great. So four stars for the food but only three for ambience. Service was polite, speedy and cheerful. Prices were exceptionally cheap. [read more](#). In pleasant weather you can even be served in the outdoor area. What [User](#) doesn't like about Tamarind Tree Thai:

I have eaten here a few times and I have to say I love my thai food. This wasn't exceptional Thai food by any means but it wasn't bad either. For me it's more of a takeaway restaurant when I want a quick and easy meal. It's cheaper than a lot of the other restaurants in the same location. It's never busy from what I have seen so you can get in and out quickly if in a hurry. [read more](#). Also, the drinks menu at this place is exceptional and offers a significant and comprehensive selection of both local and international beers, which are definitely worth a try. In addition to sweet pieces, cakes, and small snacks, we also have **cold and hot drinks**. Likewise, the customers of the establishment prefer the comprehensive selection of differing *coffee and tea specialities* that the restaurant provides.
