What [User](#) doesn't like about Bella's:

Veggie burger is awful. Soggy base, a fritter smooshed into bottom bun, an excessive amount of grated beetroot that wet the whole burger and dominated the taste. a good portion of haloumi but it was also soaked in beetroot. I hate about a quarter of it because I was hungry but couldn't stomach any more. Chips were nice. Coffee okay but only warm. Husband enjoyed his meal of prawns and a burrito bowl. [read more](#). With the large diversity of coffee and tea specialties, a visit to Bella's becomes even more attractive, Forbreakfast a hearty brunch is offered here. After the meal (or during it), you have the opportunity to still relax at the bar with a alcoholic or non-alcoholic drink, Additionally, they provide you *typical Australian menus* with products like bush tomatoes and finger limes.
