I have dined in here for evening meals with friends several times, which have been great dining experiences. Recently I was nearby at lunch time and decided in favour of Crofty's over an international [fast food](#) chain. Good move. Food & coffee great and cost only marginally over what I have spent in the chain at other times. I ENJOYED the lunch. [read more](#). The restaurant also offers the possibility to sit outside and be served in beautiful weather, And into the accessible spaces also come customers with wheelchairs or physiological disabilities. What [User](#) doesn't like about Crofty's:

I only went here for coffee as I have read the reviews of this place and tend not to spend hard earned money on bad quality products so I thought I'll just try a coffee first. Where do I begin? Firstly, they're attempting to charge more for coffee than what the average cafe does in Sydney city. Secondly, they use soy milk from Aldi. (Haha) which is next door! Over priced, under enthusiastic and a poor attitude toward... [read more](#).
