What [User](#) likes about China Bar:

Considering whenever I go to Box Hill and I'm looking for something cheap and good I go here for the honey chicken with fried rice, and the taro with coconut cream. but seriously the taro smoothie is so good i love it. I don't think I've ever had a bad meal at this place. The staff are always so welcoming especially the owner. [read more](#). China Bar from Melbourne is a suitable bar to have a beer after work, and sit with friends or alone, Furthermore, the customers love the inventive combination of different meals with new and partially experimental products - a nice example of successful *Asian Fusion*. **menus are prepared authentically in the Asian style**, Here, the meat is freshly grilled on an open flame.
