The **menu of Uncle Tony's Tuckshop** from Singapore includes 42 dishes. On average, dishes or drinks on the menu cost about \$4.0. The categories can be viewed on the menu below. It's certainly always an event to be in a **typical saloon** and to taste; to feel like a cowboy for once with a chilled drink and also the finger food like crispy fries, onion rings or a delicious burger, Furthermore, the guests love the successful combination of different meals with new and partially experimental products - a nice example of successful *Asian Fusion*. The meals are prepared according to authentic Asian style.
