they have many dishes that can be made vegan and they have veggie bark, huh and garnel. I have not yet tried the veggie garnel before, but the veggie chicken and bark are really delicious. her customer service is great and I have found the personal to be very friendly and accomodating. [read more](#). The restaurant and its premises are wheelchair accessible and thus reachable with a wheelchair or physical limitations, and there is complimentary WiFi. What [User](#) doesn't like about Silver Palace:

when we drove through the opposite we stayed here and it was the next place with veg options that appeared on happy cow. I must say that was the hands down, the worst Chinese food I've ever had in my life. everything floated in gloopy gloopy sauce, the hen of general tso was so hard that we could hardly chew it and our plastic forks tried to stab it. served on styrofoam plates, and although we were the only ones in t...
