The restaurant from Perth offers **70** different [menus and drinks on the menu](#) at an average price of A\$9. What [Alfreda Prohaska](#) likes about The Chippery & Co:

Dropped in for a quick snack a couple of days ago. Had passed by a couple of nights earlier on my way to another restaurant for dinner and thought that "I must try that!". Only ordered a cheesy fries and coffee. Service was good and the coffee and chips arrived promptly. The chips were very good. Cheesy salt and a delicious mayonnaise on top. Real chips, hand-cut. Not the usual frozen mass produced type. Would love to... [read more](#).

What [Beatrice Kautzer](#) doesn't like about The Chippery & Co:

Was not thrilled with the portion sizes compared to my first visit. The \$7.50 side of fish option added to our Belgian Chips was barely three-quarters the palm of my hands. However, the grilled and battered fish we ordered were quite tasty. Handcut chips was alright in a large serve but there is definitely not enough topping for the entire cone. I would say the Truffle Chips was much more appetising than the Belgian C... [read more](#). Experience the sensation of eating and being in a classic American Hollywood movie; that's always possible in this *authentic furnished diner*. Furthermore, the light and healthy meals on the menu are among the favorites of the guests. Besides simple snacks and sweet pieces, we also offer **cold and hot drinks** and cakes. Naturally, you should also taste the fine burgers, accompanied by sides like fries, salads, or wedges provided.
