What <u>User</u> likes about Mazatlan: that is a traditional Mexican restaurant. I ordered the takeout. I have a veggie burrito and a order of guacamole. the burrito was great. the guac was super! verified that the beans are <u>vegetarian</u> here, they have a section dedicated to the menu that is vegetarian. I would order from here again. <u>read more</u>. You can use the WLAN of the place at no extra cost. What <u>User</u> doesn't like about Mazatlan:

I just want the Claudia lady above to realize that when it is pending it holds more than what you paid and if you go back and look after a couple days, the real amount goes through, you should learn a little something about banking before you say people are stealing. I love Mazatlan and it always has great food and service. <a href="read more">read more</a>. In the restaurant you will find a little bit of this and a little bit of that, paired with their appreciated **Tapas**, the menu also includes <a href="fine vegetarian dishes">fine vegetarian dishes</a>. The guests also appreciate the **versatile**, **tasty Mexican cuisine**, whose traditional dishes are prepared with corn, beans and spicy chilies, The atmosphere also makes the tasting of typical Western dishes and drinks an unforgettable experience.
