What [User](#) likes about Wong Gonzalez: we crossed the city to search for a vegan restaurant. the one we found on this app was unexpectedly closed - probably due to the COVID array. this place was conveniently located. they seemed closed, so I called them. they only accepted collection or delivery orders. so we have placed the order online and picked it up from the restaurant. the doors were locked, but they opened it to pass the order. I ordered the vegan... [read more](#). The restaurant offers free WLAN for its visitors, Depending on the weather conditions, you can also sit outside and have something. What [User](#) doesn't like about Wong Gonzalez:

There is at least one or two vegan/[vegetarian](#) items in every section of the menu. Some of the dishes could use a bit more seasoning but that's personal preference.
