all bakery items are great, but I love their breakfast sandwiches served on a croissant. I usually get the ham and cheese croissant, I think it's taylor, and it's phenomenal. I highly recommend this place for a fast and really good breakfast. the regular bakery articles are also ingenious, so do not forget to check them. [read more](#). What [User](#)

doesn't like about Pawley's Island Bakery:

the veggieburger is not vegan (it contains cheese in the patty.) only vegan option is the hummus wrap without cheese. overpriced for what they give them; side are not included (also a kosher dill pickle is an additional fee.) nicer, cleaner place with friendly staff, but it is not worth for vegan, in my humble opinion.
