What [User](#) likes about Guacamole: space is nice, but a little hard to find, there is a gallery. we order a grammajo, a milanesa and a chivito with tweeper rings. eating was great and the portions are great (the grammajo was enough for two people). I gave 4 stars just because the waiter calculates us more than the combo price written on the menu, they stay vigilant! the price is fair for the piece sizes. updated by previous review on 2020-01-10 [read more](#).
