What [1eden c 1 year ago on Google](#) doesn't like about Cinema Corner:

An honest review: The worst red bean shaved ice I've ever tried. Ingredients were too less, shaved ice is tasteless, literally tasteless!! Was thinking of getting a nice ice kacang in a hot day, but it was such a great disappointment!! We even waited 20 mins for it lol. The quality of ice kacang is getting worst year by year. If you were to stop by this place, just get the food from thai aroy. [read more](#). Perfectly pairing with the meals of the restaurant are the fresh and succulent **juices** on the drinks menu, Furthermore, the guests love the successful combination of different dishes with new and partially experimental ingredients - a nice example of successful *Asian Fusion*. The preparation of the meals is done typically Asian.
