At The Source Cafe in Siem Reap, there are **scrumptious sandwiches, healthy salads and further snacks** for quick hunger, as well as cold and hot beverages, The successful fusion of different menus with fresh and occasionally daring ingredients is highly valued by the visitors - a nice example of Asian Fusion. Surely, it's also a nice event to feel like in the **Wild West** once, to drink and consume like the cowboys or even the bandits with a drink or two paired with onion rings and a nice juicy burger, There are also some international dishes to choose from on the menu.
