What [User](#) likes about G-street Pizza:

I love going to G-Strasse. the restaurant has a lot of vegan options, although it is a non-veganer place, which makes it great to go for a good dinner with omni friends. the meat bunny pizza is probably the best vegan [pizza](#) I ever had, but I recommend adding veggies because it makes it even better! they also offer another vegan pizza, vegan donair, vegan poutine and vegan desserts! [read more](#). In pleasant weather you can even eat in the

outdoor area, and there is no-charge WiFi. What [User](#) doesn't like about G-street Pizza:

enjoyed my time in the g street and had a vegan cheese and pfefferoni pizza! I enjoyed it, but also found it a tad bland, so in the future I would decide for the vegan [pizza](#) with more toppings! employees were very friendly and knowledgeable about vegan options! [read more](#). If you're hungry for some tasty South American culinary arts, this is the place to be: delightful meals, prepared with fish, seafood delicacies, and meat, but also **corn, beans, and potatoes** are on the menu, Moreover, the delicious desserts of the house shine not only in the eyes of our little guests. Additionally, you're in for original *Italian cuisine* inclusive of delicious classics like pizza and pasta,

Don't miss the chance to eat the tasty pizza, prepared straight out from the oven in an original way.
