Took me some time to find this hidden place, need to walk behind the shops to enter. A cozy environment with chill English songs in the background and the drizzling rain, what a beautiful view. The food tasted great, but the portion was smaller than expected. I'm glad that they even provide complimentary plain water, even though I didn't order drinks. Customer service was excellent. Recommended breakfast spot. [read more](#). What [Niels V](#)

doesn't like about Breakfast From The Barn:

For a place that specializes in breakfast, they are really bad at it. Waited 1 minute for the toast to arrive but the eggs and bacon took them 30 minutes. They put more effort and money in making the place look nice than they did in hiring a good chef. [read more](#). In case you're craving some *seasoned South American cuisine*, you're in the right place: delicious menus, cooked with **fish, seafood, and meat**, but also **corn, beans, and potatoes** are in the menu. The atmosphere also makes the enjoyment of typical Western dishes and drinks an beautiful experience. In case you want to have breakfast, a hearty brunch is offered to you. The tasty sandwiches, small salads and other snacks can be planned well as a snack.
