What [User](#) likes about Duo & Co:

If you're looking for great coffee and beautiful vegan options in the city, that's definitely a place to check it out! The staff are very friendly and helpful! I had a lentil vegan halloumi salad that was delightful. They also have a good range of salads for lunch, I'm sure won't leave there disappointed. [read more](#). The place also offers the possibility to sit outside and eat in beautiful weather, And into the accessible spaces also come clientele with wheelchairs or physical limitations. What [Demetrius Weimann](#) doesn't like about Duo & Co:

This place is almost hidden from the street, even though it is still on the front of Clarence Street. Managed to go in for a late lunch, the place seemed to be empty. Ordered a coffee and a wrap. to say the least it was over priced with the wrap being very stale and the coffee being alright. would recommend for business 1 on 1's although all items are heavy on the wallet. Duo & Co from Sydney is famous for its **tasty burgers**, to which aromatic fries, salads and other sides are offered, this sports bar is a favourite among the guests, who enjoy not only the fantastic food and drinks, but also the opportunity to watch the latest games and races on the big screen. At the bar, you can also relax after the meal (or during it) with an alcoholic or non-alcoholic drink, Moreover, the *sweet desserts* of the house shine not only on children's plates and in children's eyes.
