disabilities. What [User](#) doesn't like about Cafecito:

I have eaten at Mexican places in Thailand and been amazed everyday with the food but this place their burritos are small, over priced for what they are, comes with a watery tasteless sauce, mostly rice and hardly any other filling and the ice cream cookies sound amazing but again awful for ice cream cookies. I would never go here again or recommend it [read more](#). Anticipate the varied, delicious Mexican cuisine, which is usually prepared with corn, beans and chilies (hot peppers), Likewise, the guests of the restaurant prefer the extensive selection of various *coffee and tea specialities* that the establishment provides. If you decide to come for breakfast, you are offered a tasty brunch.
